Our **VISION STATEMENT** states “We seek to be a multi-ethnic church that is actively bringing the Gospel to the world one person at a time and training and deploying disciples with a holistic approach to all areas of ministry. These disciples will be eternally connected to God, Internally focused on discipleship and externally focused on Souls. Thus our efforts are to move the “unchurch” community to become disciples. As disciples we will adhere to the Confession of Faith, we will respect unity amidst diversity, we will seek the lost, we will demonstrate social concern, we will preserve our Christian witness, we will protect the family, we will esteem each other and we will link with the larger Church.”

We desire:

- To reach the unsaved through the proclamation of the Gospel Message
