Discipleship
REACH | TEACH | SERVE

The Making of A bethel Disciple
Introduction

This discipleship track is designed to take the new convert from that first day of conversion to a disciple. It sets forth in course:1 to help the new believer to understand what has just happened to them and how to grow. The spiritual growth of the convert is outlined in course 2. It identifies the core beliefs of the church. The believer is led to another level in chapter 3 & 4 that deals with the protocol and ordinances of the church. Then the section on Discipleship takes the believer to the next level of a disciple maker. The result is that each Christian should grow in a mature disciple.
THE MISSION: The Making of A bethel Disciple

Answering the Question- who is a bethel disciple?

REACH | TEACH | SERVE

Bethel develops Disciples that are:

**REACH**: Externally focus on Souls - To reach the unsaved through the proclamation of the Gospel Message

**TEACH**: Eternally connected to God - To make disciples through the teaching of the Word of God

**SERVE**: Internally focus on service - To foster fellowship by strict adherence to the Apostles Doctrines and Ministries in service
Purpose

Becoming healthy and staying healthy is very important for each Christian. That means you have acknowledged, confessed and asked forgiveness for your sins and have accepted Jesus Christ as your personal Savior. That is the first step. Next you have to be actively obeying the Great Commandment, Matthew 22:37-40, and actively fulfilling the Great Commission, Matthew 28:19-20. A Spiritually healthy life must have these two components that must be accompanied by Christ Centered Living.

The entire Bible is the only guide to Christ Centered living. Practically there are specific indictors of a life that is healthy. One that is displaying the fruit of the Spirit- Ephesians 5, the beatitudes governs their behavior - Matthew 5 and they are avoiding doing the works of the flesh- Ephesians 5.
